Rob-

Here is the report in electronic format, with Appendix B containing the laboratory analytical results report in a separate pdf to keep the file size more manageable. Please let me know if I can provide any additional information or if you would like to discuss the report.

Best regards,

Laurie

Good morning Laurie,

I've been out of the office for a couple of weeks; Last week, I received the report you produced titled "Soil Sampling Report Silver Gate Ranches Lots 1-18" dated 9/26/17. Could you send an electronic version so I can distribute it to others within EPA?

Thanks, Rob
